

RENDEZVOUS
en Pointe
SINGLE COLOR • SECRET SPOT

For One Night, Purple Reigns In the Pavilion

We are excited to announce the location for our fourth Rendezvous en Pointe event will be Farmers Park Pavilion.

Home to Farmers Market of the Ozarks and located in the Farmers Park development, this community space combines an open-air appreciation of the outdoors with a rustic cabin-like feel to create an all-season venue.

The pavilion was conceived and constructed to provide a year-round location for local farmers and artisans to bring their farm-fresh produce and handcrafted items direct to their urban customers. The first farmers market was in July of 2013 and they have been there every Saturday morning since.

Creating an intentional community that brings neighbors together, promotes nature and supports education, health, the arts and sustainability is the goal of Farmers Park, a development by Green Circle Projects.

Robe yourself in amethyst and prepare for a regal evening at this charming venue enjoying delicious food, signature drinks, spectacular performances and fun as we raise funds to support our outreach and education programs.
