Requirements for Applicants:

Each semester that you receive a dance scholarship, you will be expected to fulfill the following responsibilities:

1. Demonstrate a true passion and desire for dance. Recipients who go above and beyond expectations are highly regarded.
2. Enroll in a class schedule as recommended by the Artistic Director. Minimum class requirements for a scholarship/work-study recipient vary depending on the level and age of the student; however, the minimum class requirements for a scholarship/work-study recipient are above the minimum requirements for their level. For example, a Ballet 1 student is typically required to take one class per week, but a scholarship/work-study recipient will be expected to take a minimum of two classes per week. Scholarship/work-study students must commit to the entire semester. If a student leaves during an awarded semester, Springfield Ballet will invoice for any unpaid tuition and the scholarship award will be revoked.
3. Maintain an exceptional attendance record and make up missed classes. Exude the qualities of an exemplary student, i.e., follow dress code and proper class etiquette, avoid tardiness and unexcused absences, demonstrate a positive attitude toward other dancers, exhibit consistent respect and positive attitude toward Springfield Ballet instructors and staff, and practice outstanding, healthy habits. Follow Springfield Ballet's core values and Citizenship Standards for Participation.
4. Audition for and perform in the Springfield Ballet production for the awarded semester. Attend any applicable guest artist classes or workshops, and audition for any applicable guest artist works. Participate proactively in Springfield Ballet performances, fundraising activities, and other special events.
5. Comply with assigned work study hours which may include, but are not limited to, cleaning, production work, assistant teaching (age 14 and up) and/or office duties. Depending on the age of the scholarship/work-study recipient, a parent may be permitted to help with the work study hours. Hours are based upon scholarship amount awarded.
6. Scholarship recipients' financial accounts are to be kept current with payments up to date and on time. Please communicate any extraordinary circumstances that would prevent this from being feasible. Recipients with delinquent accounts may not be eligible to audition for future scholarships/grants.
7. Parental involvement and volunteerism are expected.
