

Pointe Shoe Scholarship Application Winter/Spring 2022 Requirements and Procedures

Requirements for Applicants:

Springfield Ballet has a select number of funds available for pointe shoe scholarships for students who:

- Demonstrate a true passion and desire for dance. Recipients who go above and beyond expectations are highly regarded.
- Enroll in a class schedule at Springfield Ballet as recommended by the Artistic Director, which includes at least one pointe class. Minimum class requirements vary depending on the level and age of the student. Scholarship students must commit to the entire semester. If a student leaves during an awarded semester, Springfield Ballet will invoice for the pair of pointe shoes purchased with scholarship funds and will be unable to apply for future pointe shoe scholarships.
- Maintain an exceptional attendance record and all missed classes must be made up by the end of the Fall 2021 semester. Students with 100% attendance in Fall 2021 will be given top priority for scholarship awards. Students with less than 95% attendance in Fall 2021 are ineligible to apply. Scholarship awards will be announced by February 1, 2022.
- Exude the qualities of an exemplary student, i.e., follow dress code and proper class etiquette, avoid tardiness and unexcused absences, demonstrate a positive attitude toward other dancers, exhibit consistent respect and positive attitude toward Springfield Ballet instructors and staff, and consistently apply sound knowledge of self-care and overall wellness. Demonstrate and be a leader within the community regarding Springfield Ballet's core values.
- Scholarship recipients' financial accounts with Springfield Ballet are to be kept current with payments up to date and on time. Please communicate any extraordinary circumstances that would prevent this from being feasible. Recipients with delinquent accounts may not be eligible to apply for future pointe shoe scholarships.
- Parental involvement and volunteerism are expected.
