

Dear Parents and Students,

Happy Spring! The time to start planning your Summer 2021 at Springfield Ballet is here! We have created a summer session of classes that is packed with a variety of styles for you to enjoy. The summer time is a great opportunity to focus on advancing your technique and artistry as a dancer with more time on your hands! We hope you will join us this summer! Registration opens April 1 at 12:00pm.

Springfield Ballet, Inc. is a not-for-profit organization dedicated to advancing the art of ballet through premier education, performance, outreach and collaboration. The school was established in 1976 to provide the highest caliber of dance training and to foster a love of movement and the arts through pre-professional performance opportunities. We provide an atmosphere that fosters self-confidence, grace, discipline and a thoughtful attitude toward instructors and other students.

### **Summer Placements:**

All students should continue their CURRENT level during summer six-week session. This will allow new staff time to evaluate and audit the levels and their structure if needed. Students will receive their placements for Fall 2021 in May with written feedback and decisions may be adjusted during summer semester with progress.

It is very typical for dancers to be in the same level for more than one year. Please do not be discouraged if you are placed in the same level as before. Everyone learns at different speeds and there is always something to be learned!
